Re: United States v. Marcus Chambers, 20 Cr. 572 (NSR)

Dear Judge Román,

I write to respectfully request an additional three-week extension with which to file motions in the above-captioned matter. The Government and the undersigned have been in discussions concerning a disposition and while we have not come to an agreement, our discussions have been productive. We need this time to review rather complicated terms with our client. I have consulted with the Government and there is no objection to this request. We agree that this time should be excluded from speedy trial calculations as we continue to review discovery and engage in plea discussions.

Respectfully submitted,

/s/

James Kousouros, Esq.
